

Financial Aid Application

Mountain Kids strives to make our camp affordable. We believe that all children have a right to play in nature! As a result, we have some financial aid available for qualifying families. We are actively seeking to grow this fund in order to accommodate more children. Our long-term goal is to accommodate all children, regardless of ability to pay.

Please respond to the following questions, attaching additional sheets if necessary. In the case of a separation or divorce, each parent/guardian must submit a separate application. Thank you!
